

BSCRA 1/24th Scale B.O.C. Round One April 19th & 20th 2019

The all new Raceway 81 Track will be completed by the 25th of March and all systems will be debugged by the end of the month, so the venue will be perfect for the 1st round of the championship, offering a great new, fast and slightly more technical track with projection screen results, great catering and a great premises. The venue (Barley Mow Village Hall) is located in Birtley, so those wishing to book the usual Hotels etc. will not need to swap venues. Full details of the location are available at <http://www.raceway81.com/find.us.html>

We are keen to make your visit a great experience and as we may need to book additional adjacent pit space for the meeting we need to know potential number prior to the event. Please email us at raceway81@btinternet.com to confirm your attendance.

As it is the Easter weekend we have agreed to hold the race on the Friday and Saturday giving you guys some time at home over the Bank Holiday.

Please note;- this venue is fully alarmed and additionally protected by CCTV.

Program;-
