- 3) JK Hawk 7, JK Hawk Retro, Falcon 7 motor.
- 4) Free gear ratio

Max width 83mm, Max wing height 38mm

NOTE;- extreme bodies are allowed in 1/32 Sports and both 1/24th LMP classes provided

Race format (all events 4 or 6 lane tracks) 1 minute qualifying, 3 minute race segments, all laps to count, win from any heat.

In ALL classes;- Bodies must be a minimum of 2 colours and carry 2 racing numbers. All cars must have a 3 dimensional driver either as a portion of the cockpit moulding on Open cab bodies or on an interior sheet where the driver is not an integral part of the body moulding. It is not acceptable to mount drivers on the chassis. Interiors/drivers must be mounted to the body shell in the correct location.

CONCOURSE;- One car per meeting will be chosen as the Concourse winner and 2 points will be awarded to the driver in which ever class the car belongs.

Hosting clubs are required to supply race results in either Lapmaster results files or excel format. Racers count 6 from 8 rounds for the championship.
